

# THE RENFREW CENTER'S ALUMNI SERVICES ORIENTATION

## STAYING CONNECTED AFTER TREATMENT

As you transition out of treatment, know that support doesn't end when you leave Renfrew. Our Alumni Services are here to keep you connected and supported in recovery. We invite you to attend our Virtual Alumni Services Orientation, a brief **15-minute Zoom session designed to introduce you to the many recovery-focused programs available to you as part of our alumni community.**

During this brief session, you'll:

- Get a quick overview of the **free, ongoing resources** available to alumni
- Learn how to register for **monthly support groups**, webinars, workshops, and more
- Meet members of Renfrew's **Alumni Services Team**
- Have the chance to **ask questions about staying connected post-treatment**

We hope you'll join us to learn more about how Renfrew can continue to support your recovery. No sign-up necessary, just bring your curiosity!
