

THE RENFREW CENTER'S ANNUAL ALUMNI REUNION

ROOTED IN RECOVERY

Like roots that ground a tree, recovery is strengthened by connection and support. Join us at our Annual Alumni Reunion to reconnect, reflect, and grow together.

This event welcomes Renfrew alumni from all levels of care. Led by our residential clinicians, attendees will:

- Explore practices to help build a strong, grounded foundation in recovery.
- Participate in 3 interactive workshops focused on community, resilience, growth, and long-term healing.
- Reconnect with staff and fellow alumni.
- Hear a recovery story of the power of staying rooted through life's challenges.
